PROGRAMME OF EVENTS 2007-2008

There is an annual subscription of £15 for membership of the Circle, £10 for Diploma students, to cover administrative costs and any small shortfall on tastings. Events are normally on the second Monday of the month. Bristol based events start promptly at 6.30 with an introduction by the speaker. The tastings are tutored. They are normally held at Avery's in Culver Street, and the charge for these events is £12 per head with a reduction to £8 for those enlisted for the Diploma course. There are different arrangements for tastings outside Bristol. Further details of each event is notified in advance and nearer the time. There is a supplement of £2 per tasting for any guest or individual who has not paid the £15 annual subscription.

A one-off payment of £85 in advance gives free entry to all tastings (excluding annual dinner and parties), a saving of over 10%.

It is hoped that the programme which follows will hold, but given that some events are a long time ahead, there may need to be some changes or substitution nearer to the due dates.
