## **PROGRAMME OF EVENTS 2009-2010**

There is an annual subscription of £10 for single membership of the Circle and £15 for joint, to cover administrative costs and any small shortfall on tastings. Membership is compulsory for all those who wish to be involved, to receive details, and to come to more than one tasting. This must be paid at the latest by 31 October 2009. The charge has been pegged at last year's rate. Members may bring the occasional guest, subject to availability of space. Events are normally on the second Monday of the month. Bristol-based events start promptly at 6.30 pm with an introduction by the speaker. The tastings are tutored. They are normally held at The Clifton Club, 22 The Mall, in Clifton Village. The charge for these events is £15 per head with a reduction to £10 for those enrolled for the Diploma course. There are different arrangements for tastings at other venues. Further details of each event are notified in advance and nearer the time. There is a supplement of £2 per tasting for any guest or individual who has not paid the membership fee.

A one-off payment of £105 in advance gives free entry to all tastings (excluding annual dinner and party), a saving of over 10%.

It is hoped that the programme which follows will hold, but given that some events are a long time ahead, there may need to be some changes or substitution nearer to the due dates.
